ELECTRA PUBLIC SCHOOLS

W. H. AVINGER, Superintendent

ELECTRA, TEXAS

For the Board of Education of Electra schools, I want to compliment you on your originality in the portrayal of the happenings of this school year in your splendid issue of The Bengal of 1948. It is not only a book of present interest; in the years to come it will serve as a reminder of the scenes, the friends, the joys, the hopes, the fears of your high school days.

May the members of the Class of 1948, as you leave the campus to be scattered over the land and become absorbed in the exacting tasks of life, achieve the happiness which comes from service to your community and to humanity.

Dear Students:

Thanks very much for letting me see the beautiful pictures of your fellow high school students.

I appreciate the honor of being asked to be a judge in your beauty contest. It was very difficult to make a choice, as they are all very beautiful. However, Miss Edna Morrow seemed to me to be the prettiest of the pictures you enclosed.

I wish to extend my congratulations to these lovely girls and the Senior Class of 1948.

Sincerely yours,

Bygone Jones

KENNETH HIXON

"Hic" showed great ability in pass receiving, this was his first year to letter.

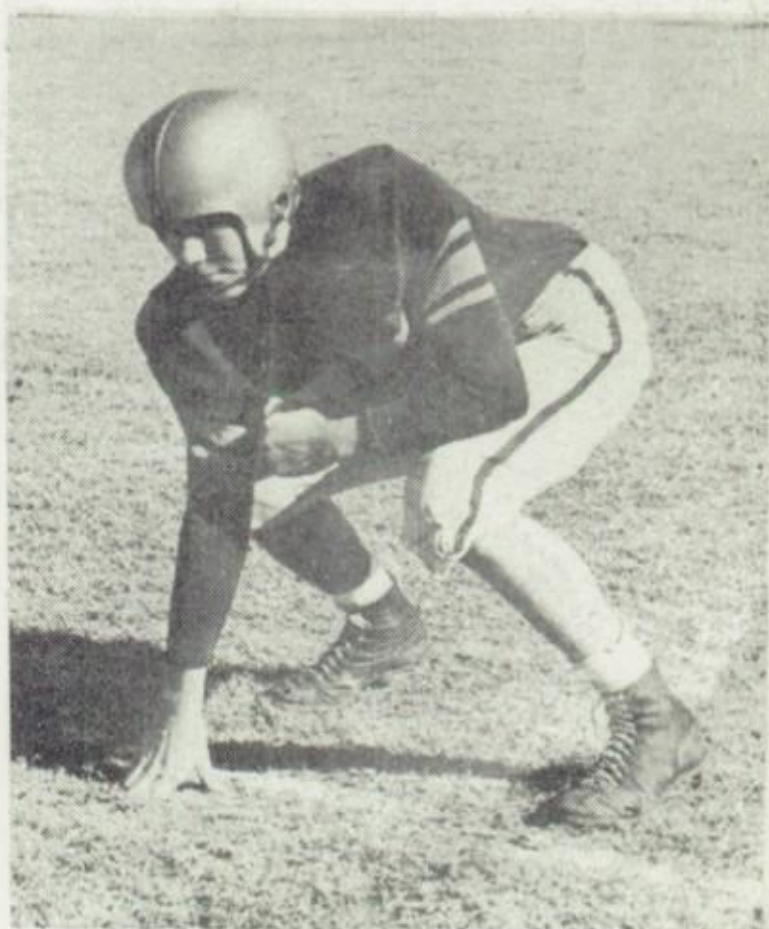

DON ERVI

"Big Don" lettered for the first time this year at end. Since he will not return next year, he will be greatly missed.

THOMAS BILLS

"Willy" lettered for the second time at tackle, he will be missed on the dear old string next year.

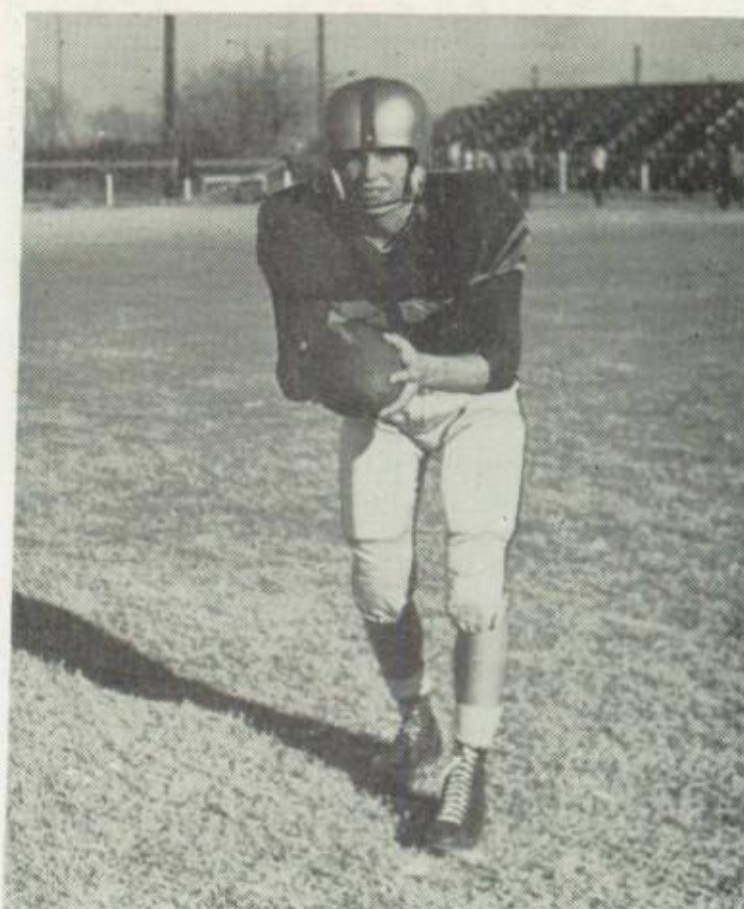

GENE WAGGONER

Gene with his 176 pounds of bones and muscles which gave the opposing teams many an ache, won his second letter this year as tackle. Everyone will miss his blocking ability next year.

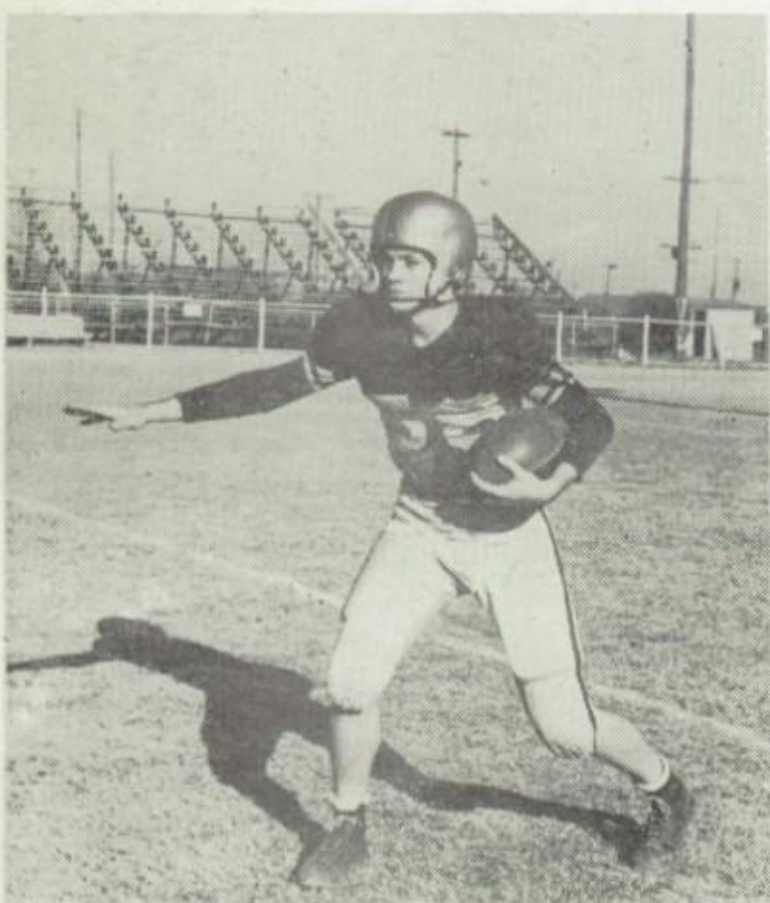

JOHNNIE KNIGHT

"Watchcharm" finished his eligibility this year with 2 letters. Johnnie was noted for end sweep and passes. He will be missed greatly next year.

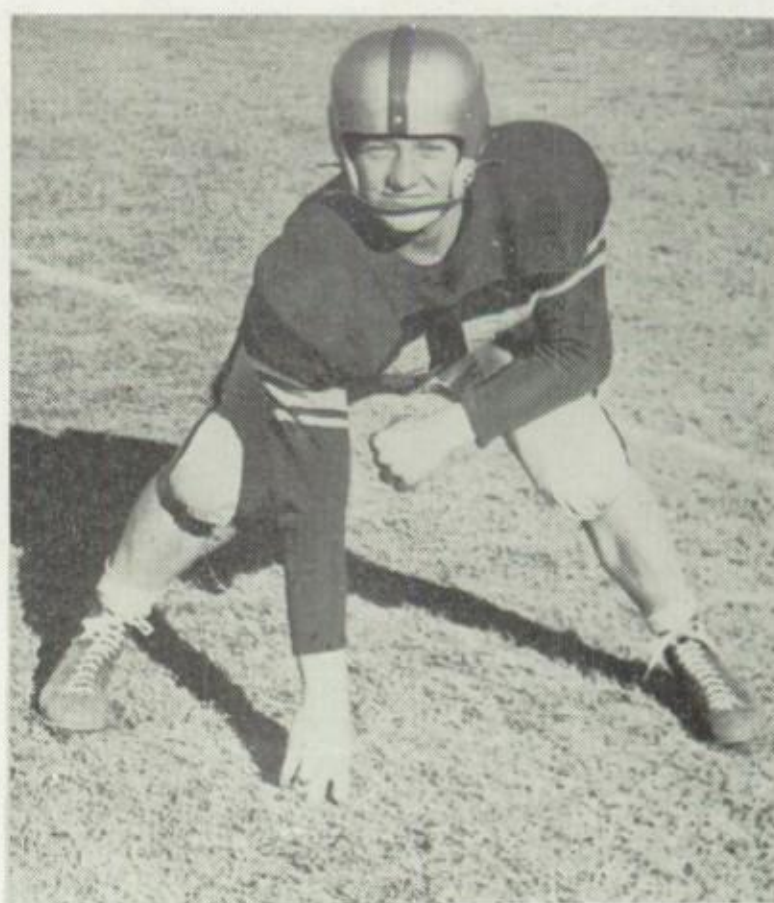

TED DARLAND

Ted who lettered for the third consecutive year was noted for his back field plays and also for his work on the defensive.

JAMES PENN

"Junior" whose speed and hard fighting and wonderful work on the line has won him his second letter. Don't guess we will see James next year as he graduated at mid-term.

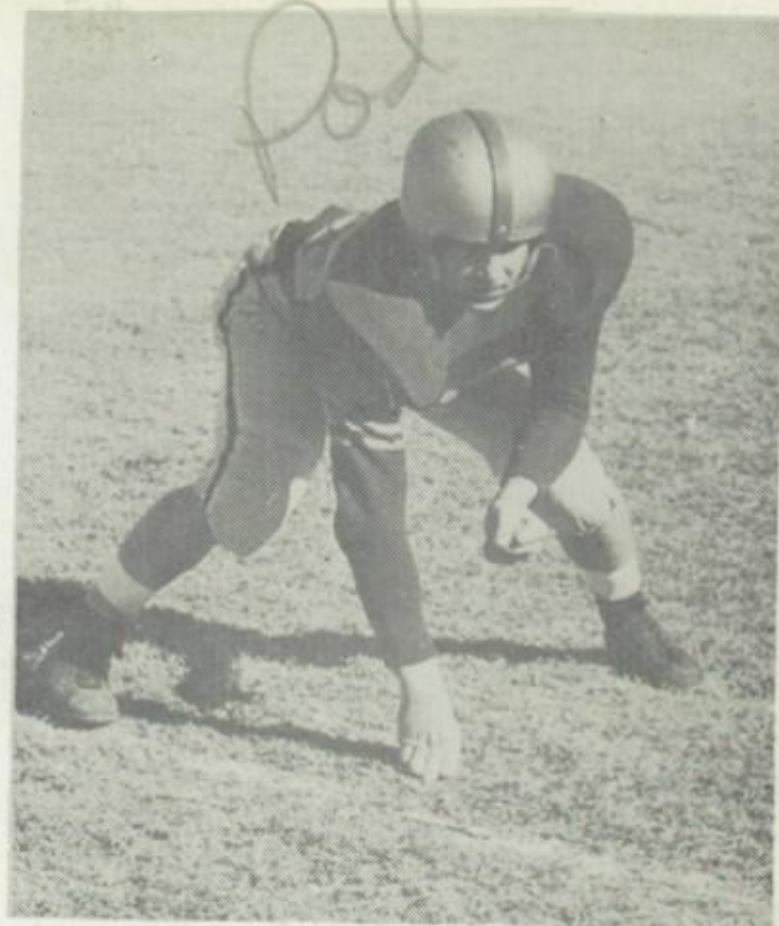

WAYNE ELLIS

"Ellis" who was guard, won his first letter this year and was the funny-bone of the team. This is his last year.

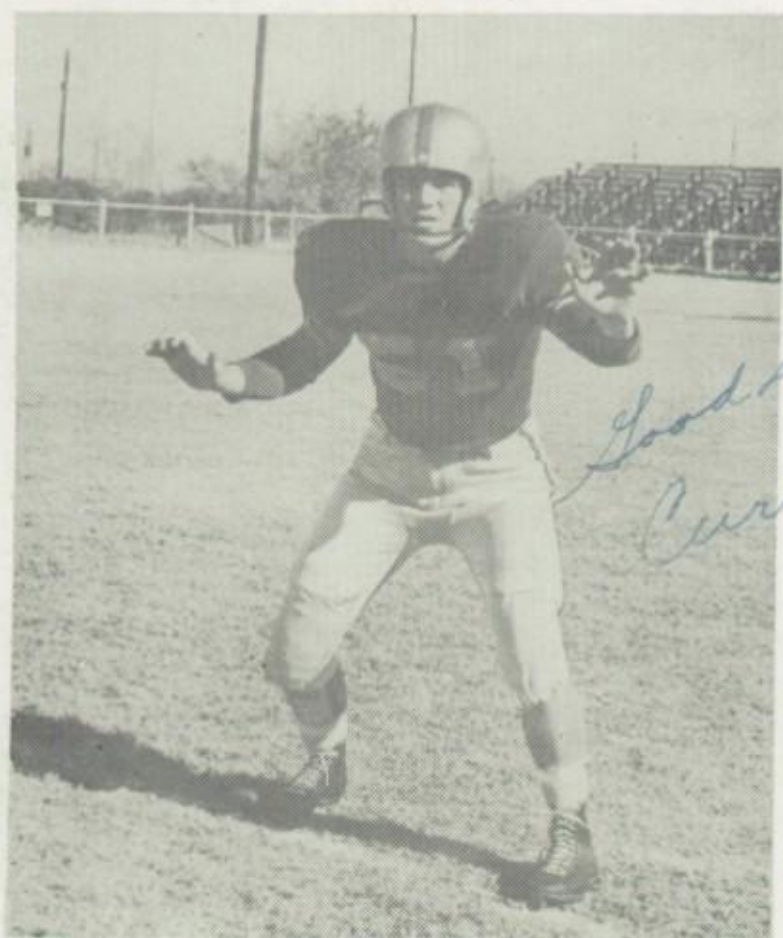

FRED LALK

"William" has lettered three years at guard. Fred played very good defensive ball and breaking up end sweeps from behind was his specialty.

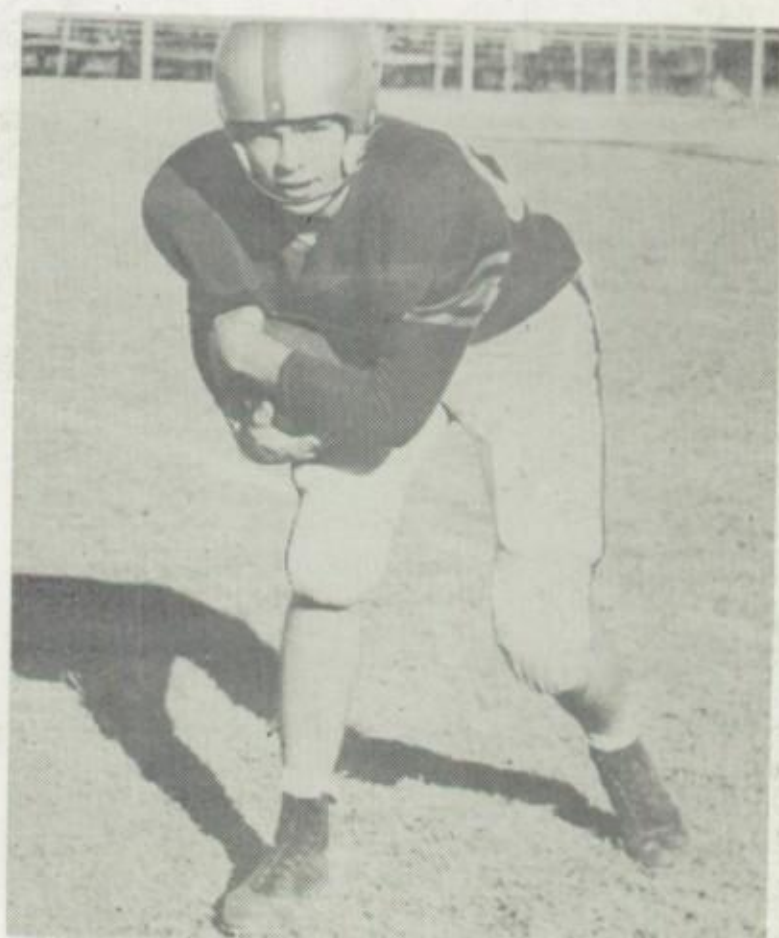

GLENN PRICE

"Pod" lettered at guard in 45 and 47. He earned his place among the starters this year. He has one more year of eligibility.

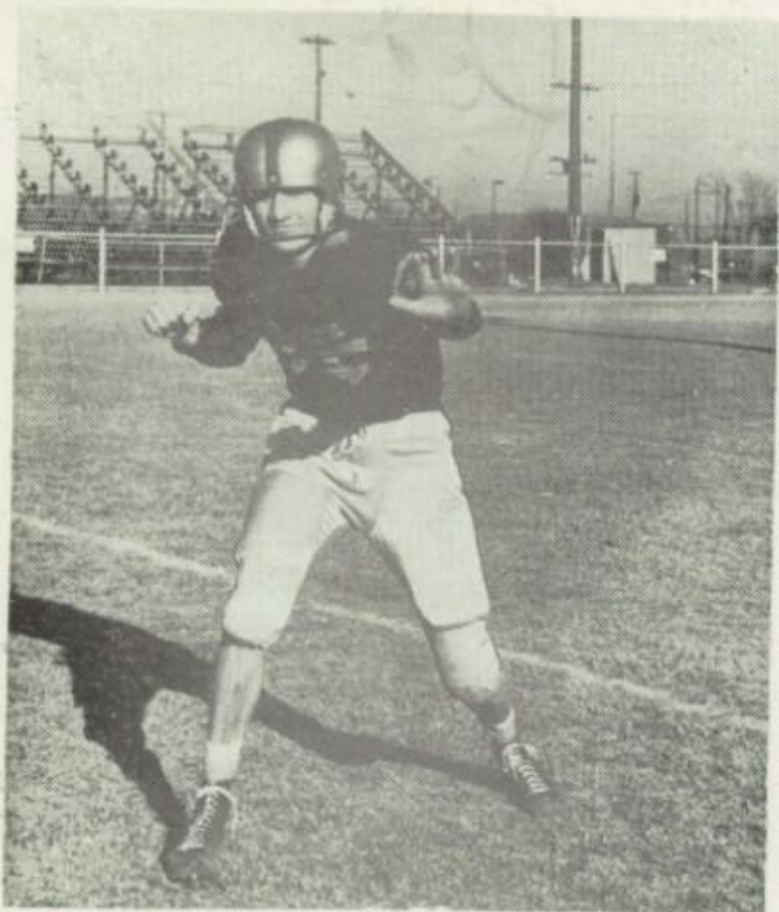

CURTIS HINES

"Nigger" has lettered 3 years at center, and he has indeed earned his letters, because of his fine defensive play and good blocking ability. This is his last year.

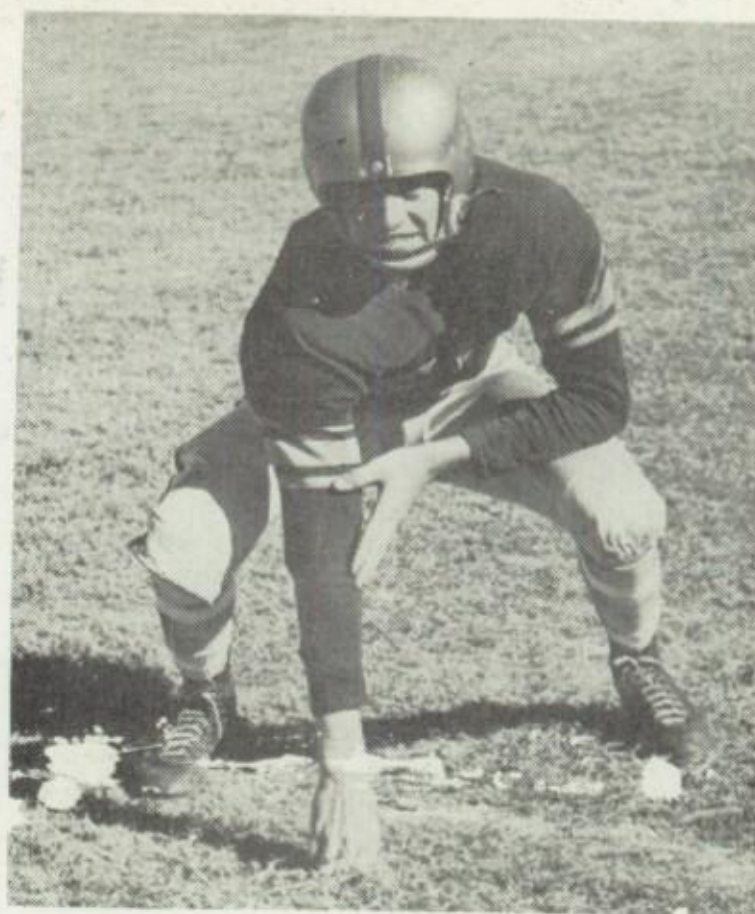

JOE JACOBI

Joe has earned his letter for three years at end and blocking back. His 180 pounds of bulk will be greatly missed next year.

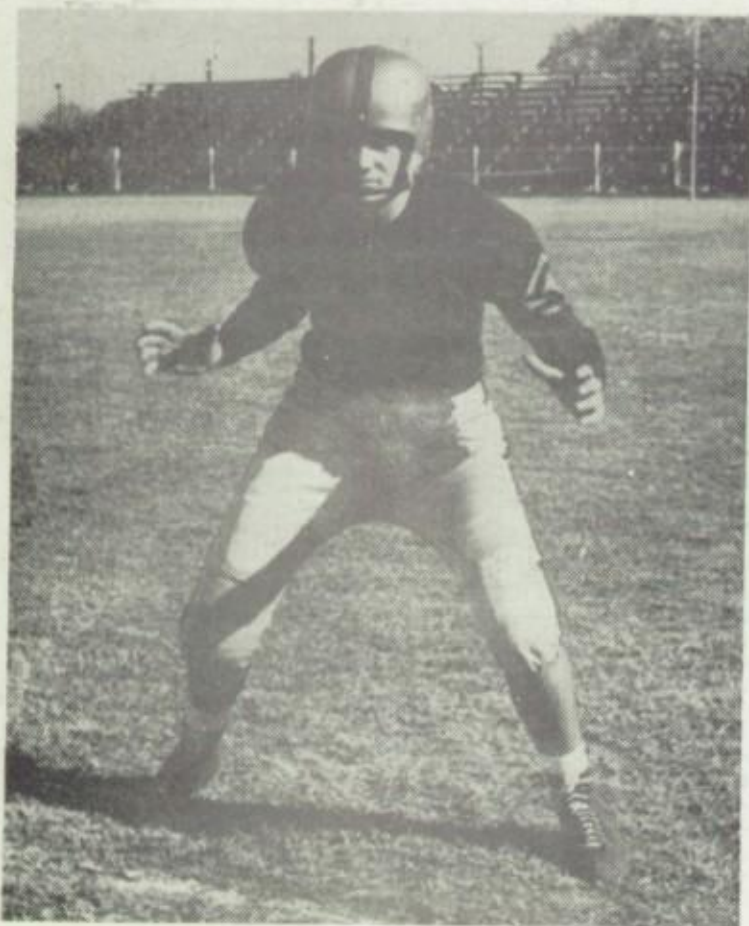

CARROLL COLLINS

"Red" may not have started every game this season but when he did get in there he gave many an opponent some moments of misery. This is his first and last year to letter at end.

TERRY BROGDON

"Tooter" lettered as a reserve and though no one ever called him "speed demon", he was a good defensive end. This is his last year.

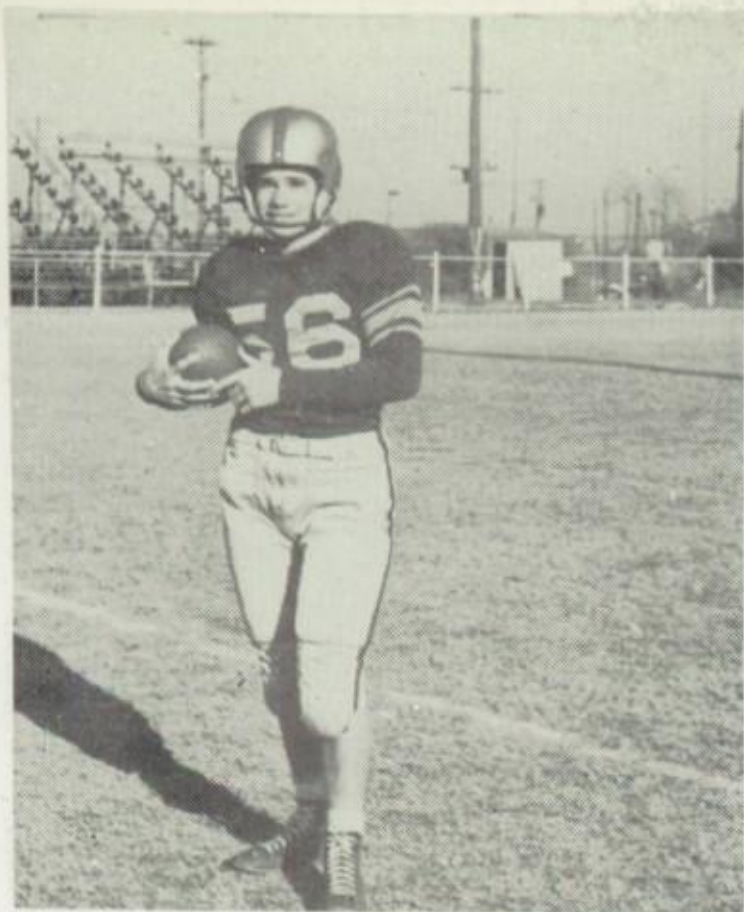

SEBERN WHISNAND

"Whiz" lettered this year as a reserve at tackle. Though he is only a sophomore and has two more years of eligibility he has already made the spectators sit up and take notice.

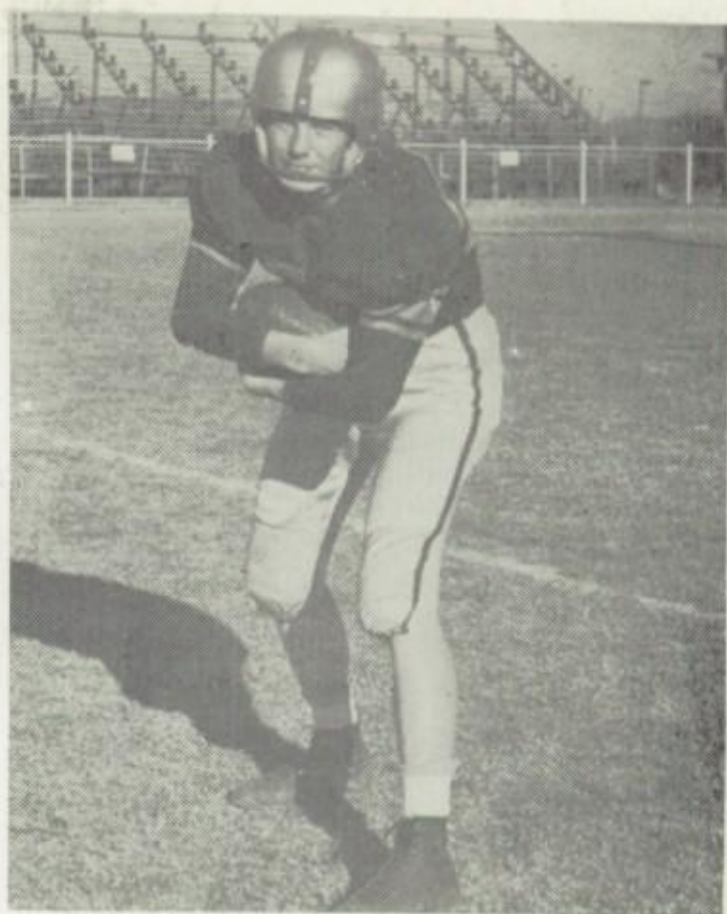

BOB VANHOOVE

"Vanhoofermanstiefler" as he was affectionately called by his teammates was a reserve and lettered this year at tackle. This is his last year.

DOUGLAS HOUTCHENS

"Doug" played back position this last year and lettered as a reserve. Even though he was smaller than some he was one of the speediest boys on the team.

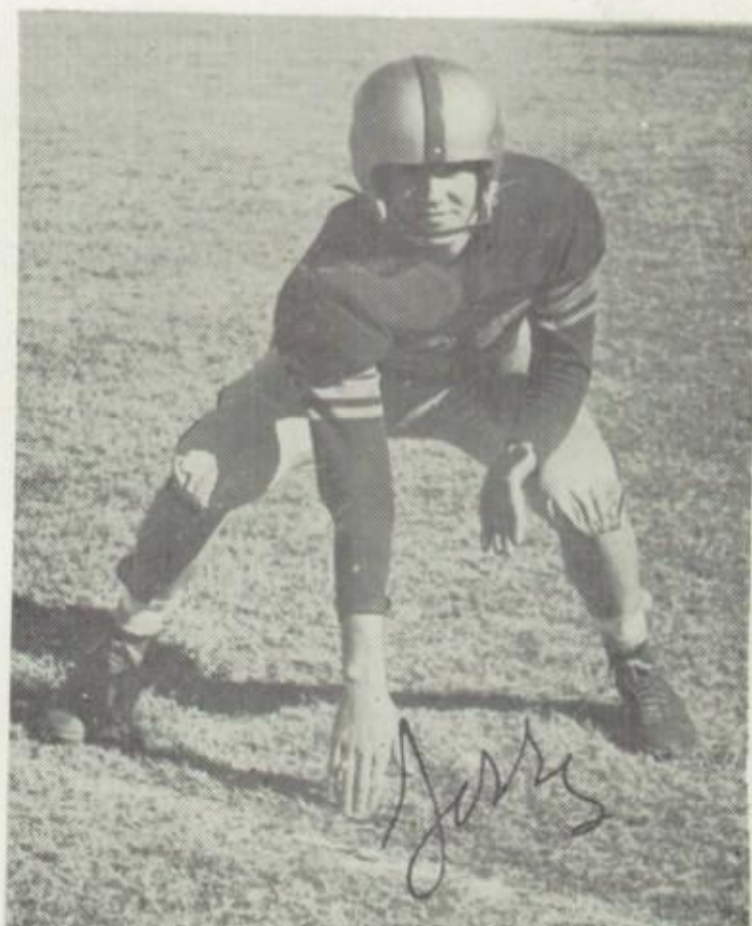

JIMMY RUTH

Tho "Jim" did not start every game he was one of the better backs and lettered this year as a reserve. He will not be back next year.

BOBBY MYERS

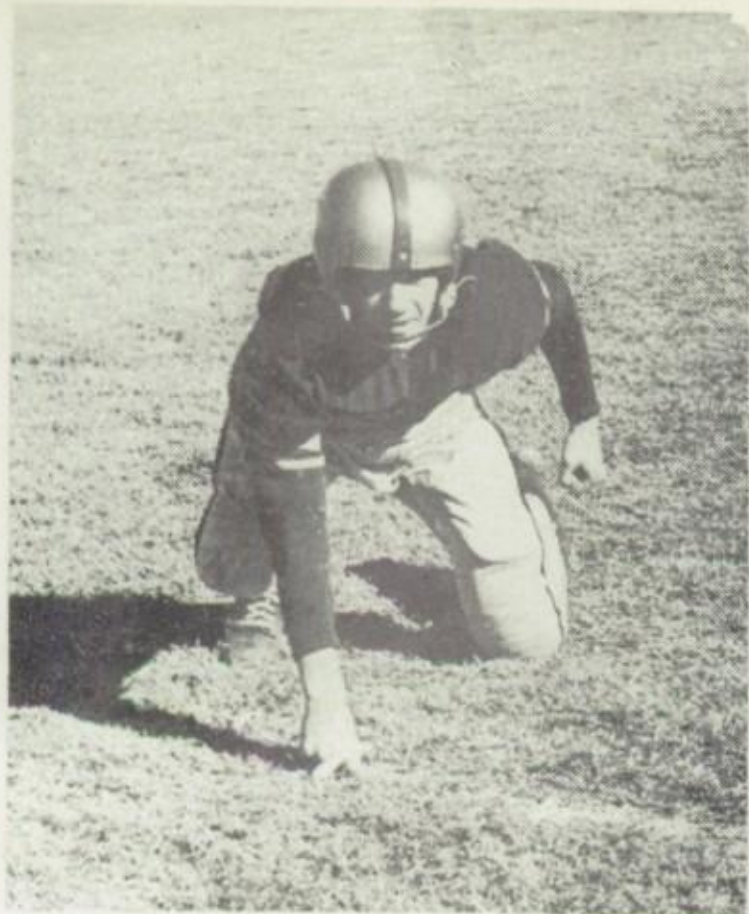

"Bob" with his brilliant defense work and his end sweeps made the spectators sit up and take notice. This is his second year to letter. He will not be eligible next year.

JERRY WILSON

Jerry played back and lettered this year. "Paul" played many a good game. This is his last year to letter.

Football Players'
Autographs

PHILIP BURCH

Phil's 135 lbs. of speed made the opposing team have a hard time keeping him out of their lines. He has one more year of eligibility.

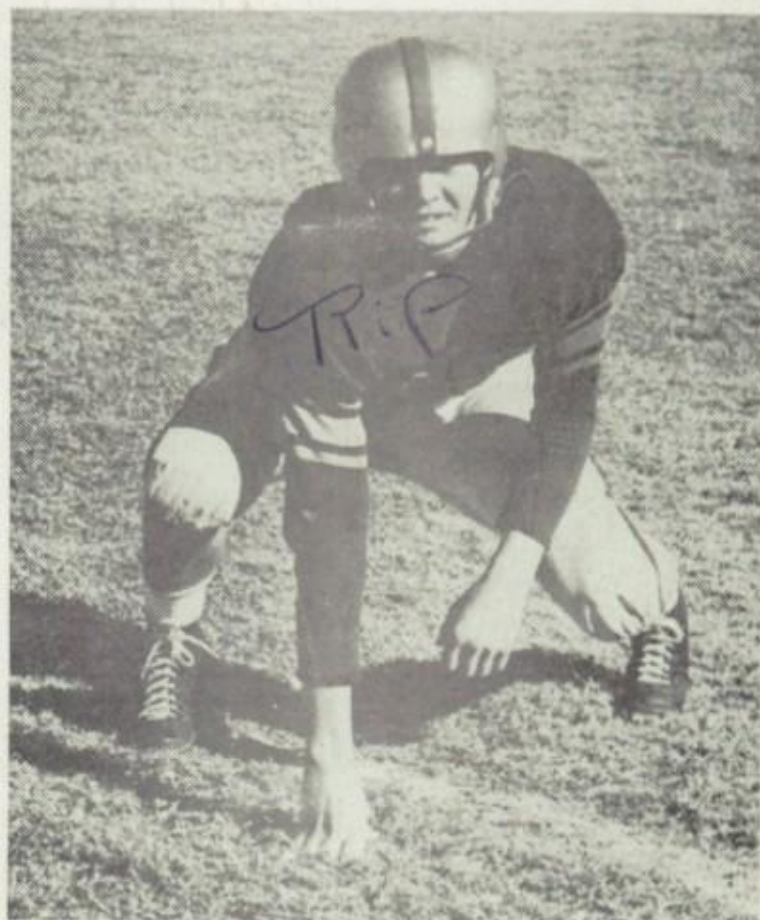

ROBERT HAMILTON

"Powder" was rough and tough at his tackle spot this year. He lettered as a reserve and this is his last year.

DALE DODSON

"Fore", who was the slowest man on the team will rate a berth on next year's starting eleven. He lettered this year as a reserve at center.

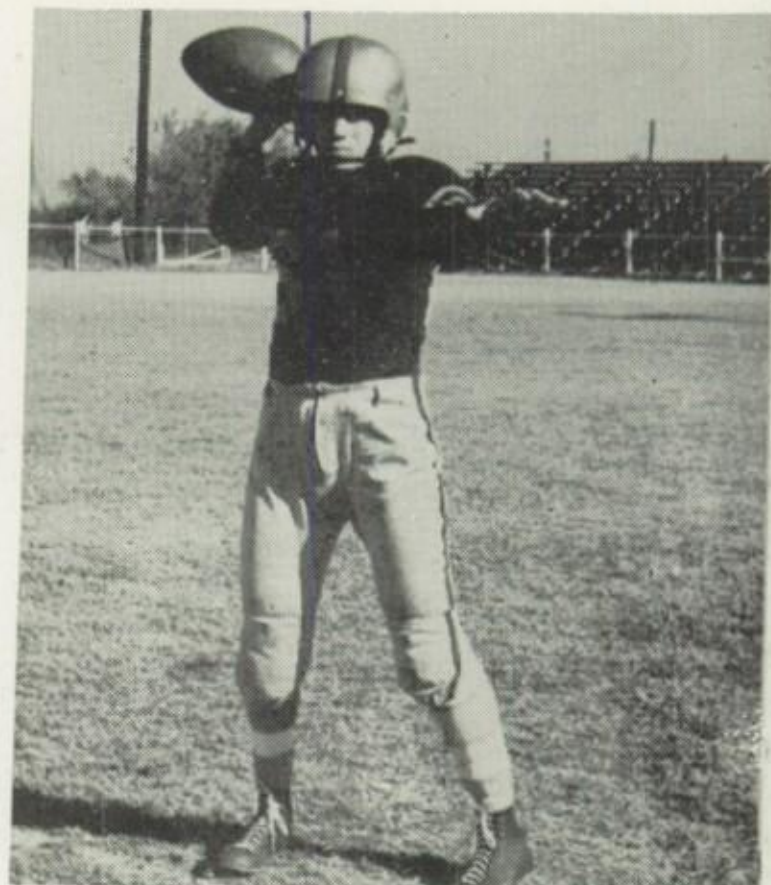

CURTIS SMITH

"Smitty", who lettered as a reserve at tackle, was speedy and tough and he will be back on the starting line next year.

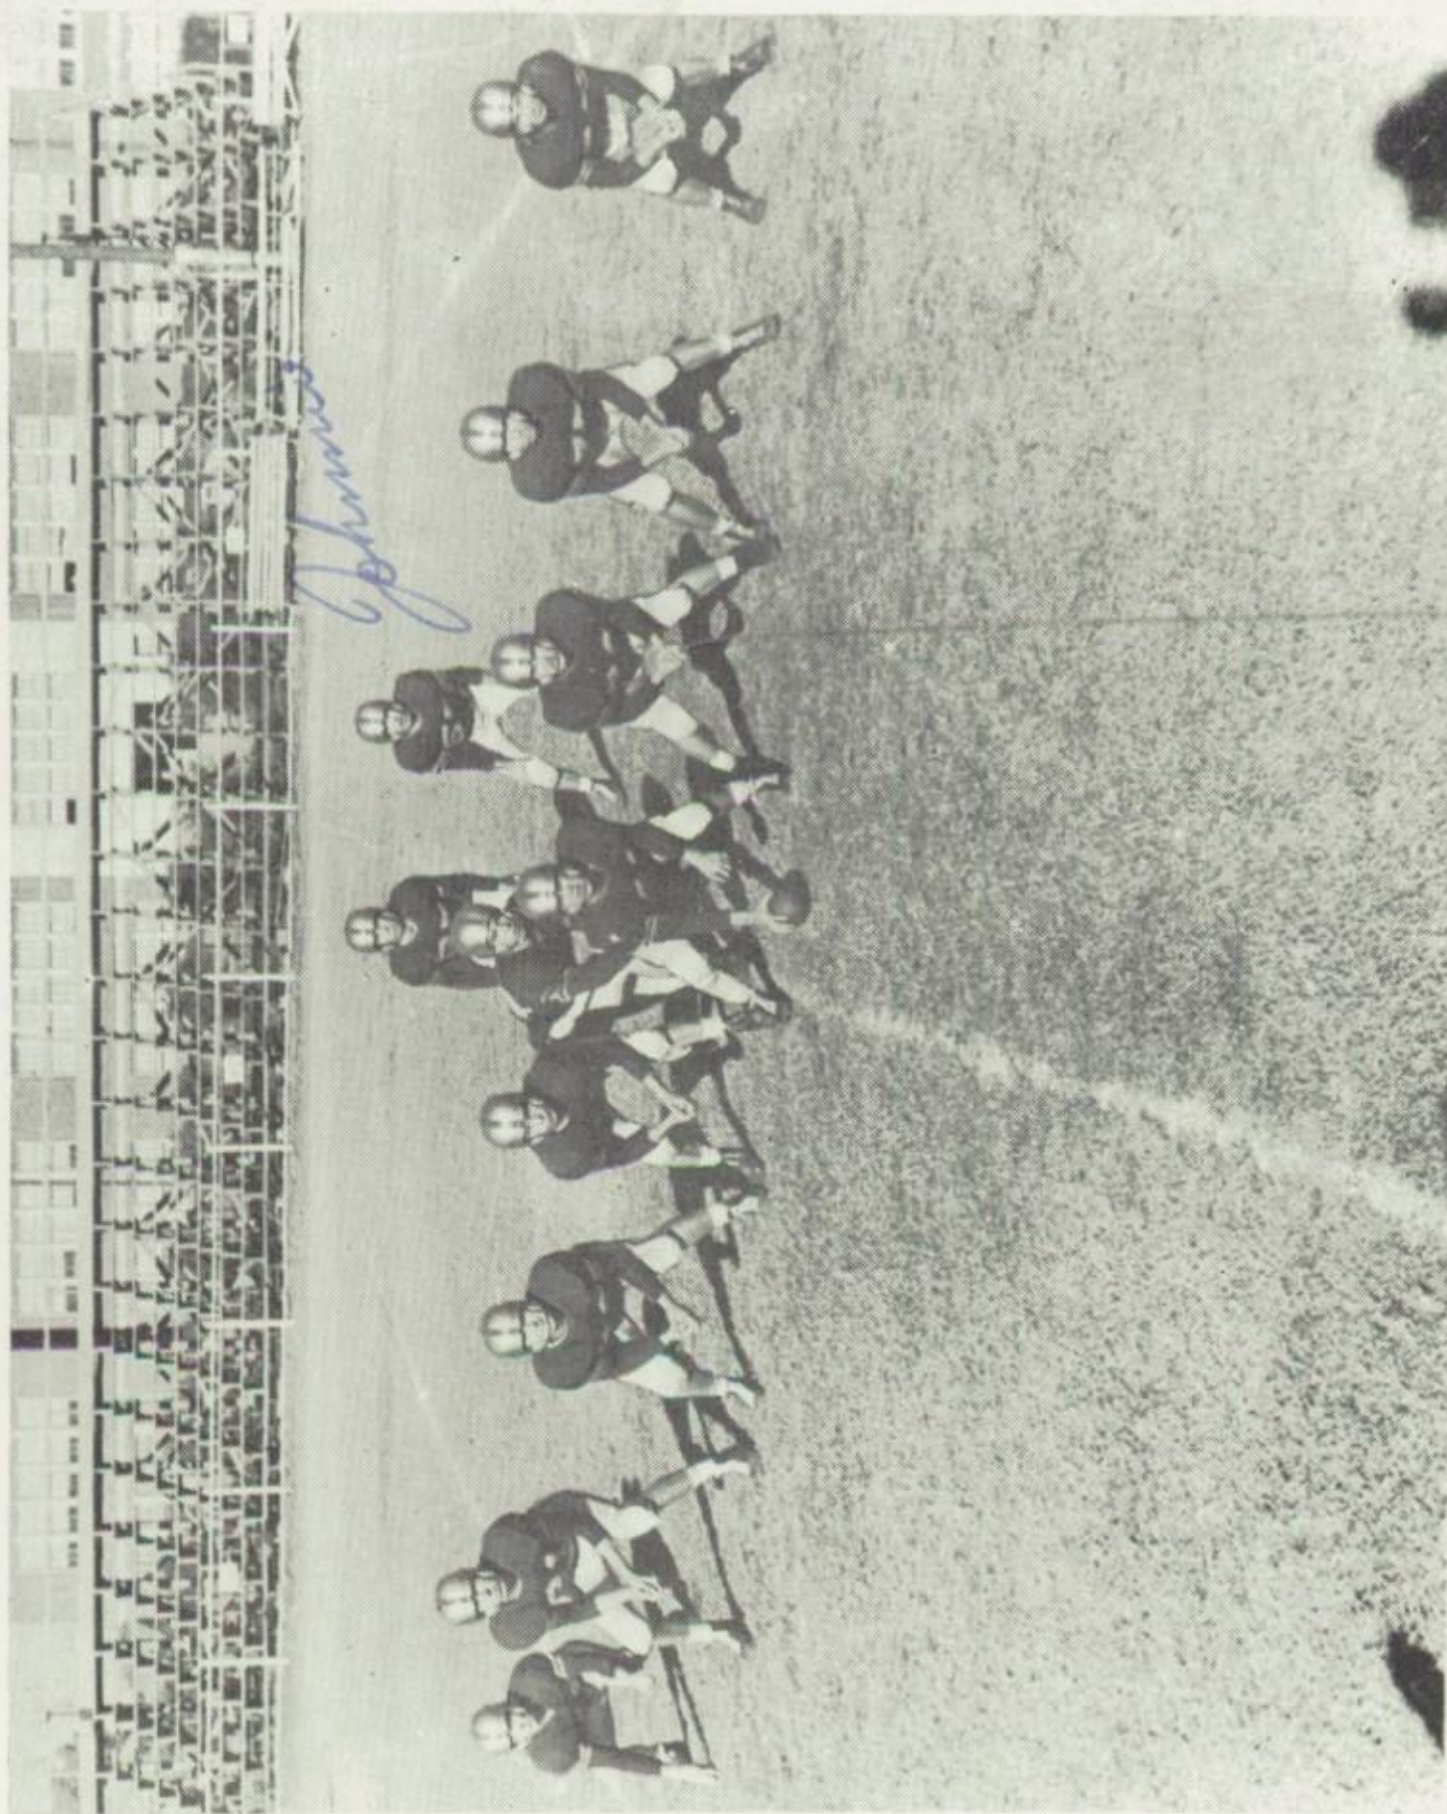

BOBBY HENSHAW

"Henshaw" didn't start every game, but even though he didn't, he was out there trying all the time, and was another one of the team's funny bones. He will be back next year. He lettered this year as a reserve.

JACKIE CRAIG

"Craig" will be filling the shoes of Ballard next year, and by the looks of his playing this year he will do it ably. He lettered this year as a reserve and will be on the starting team next year.

Oren Teel

"Oren" may not have started every game but when he did get in there he was quick and good on the defensive. He also lettered this year.

Carrol Collins

"Red" won his first letter this year. His height played an important part under both goals.

Burl Atchley

"Burl" was quick on the trigger and apt at making nearly every basket he aimed at. This is his first year to letter.

Joe Zane Thaggard

"Joe Zane" wasn't on the starting 5 this year but his promising work will put him in order for a letter next year.

Terry Brogden

"Terry" too has the height that helped him further the Tigers in their winning streak. He won his first letter this year.

Jerry Wilson

"Wilson" may not have been the backbone but his lucky tosses and humorous style made him the funnybone of the team. He lettered for the first time this year.

Donald Ervi

"Don's" ability to toss an unexpected ball in the basket won him his second letter.

Coach Weathers

"Coach" whipped our boys into shape and helped them win all those games. We say "Thank you" and "Good Work", Coach!

Ralph Bird

"Thriller" was one of the speediest and best shooters on the team. He won his first letter this year.

Johnnie Knight

"Johnnie's" quick footwork, and his ability to go over, under and around his opponents won him his first letter this year.

Ted Darland

"Ted" won his third letter this year with his quick footwork and tosses. He was one of the team's mainstays.

Monty Givens

This was "Monty's" first year out and already he's made the spectators sit up and take notice. He won his first letter this year.
